A1 Series Commercial Grade Meter

If you are looking for a great flowmeter for measuring fuel, diesel, and other petroleum based liquids a A1 aluminum flowmeter is the meter you're looking for. Measuring water and mild chemicals? Check out our A1 series nylon flowmeters! The lithium battery powered electronic display A1 flowmeters are calibrated to read in gallons and litres per minute with two totals in which case one is resettable and gives you a cumulative flow total. These flowmeters come in 1 in. and 2 in. models.
